POLICE COURT NEWS.

Jose dos Santos Cuelho Committed to the Insane Asylum.

At this morning's session of the Court K. hua was fined \$3 for getting drunk, and the charge against Kamimoto for obstructing justice was dismissed.

The Court then rendered its decision in the matter of Joe, accused of attempting to murder policeman Molenhauer, finding that the evidence in the case does not warrant commitment for trial.

Jose dos Santos Cuelho was examined as to his sanity, and on the testimony of Drs. Brodie and Emerson and his wife was committed to the Insane Asylum. The testimony developed the fact that he was a blacksmith by trade and that his mania is of the kind known as "dementia" to medical men.

The rest of the morning session was taken up with the trial of F. Meyers for malicious injury in the third degree, which is not yet completed. On the completion of the testimony for the government, attorney Kaulukou moved for the defendant's discharge on the ground that no malice had been showed. This motion was denied, and the Court will hear testimony for the defense this afternoon.

A Grand Feature

Of Hood's Sarsaparilla is that while it purifies the blood and sends it coursing through the veins full of richness and health, it also imparts new life and vigor to every function of the body. Hence the expression so often heard: "Hood's Sarsaparilla made a new person of me." It overcomes that tired feeling so common now.

Hood's PILLS are purely vegetable perfectly harmless, always reliable and beneficial. 54tf.

SPEAKING OF
SEWING MACHINES
REMINDS US

To remind you that we have a Sewing Machine in which we place so much confidence that we will send it to you on trial free for a week and if not satisfactory you may return it at our expense.

We make this offer because we know our goods. Our Machine costs a trifle more wholesale and sells for a trifle more retail than any other Machine in the world, but it is worth it. Listen: It makes five stitches to the revolution while others make but three and one half. In other words you do what is three days' work on the old style in two days with the "Standard". If you are tired or busy that is worth while. Paste this in your bonnet.

The "Standard" has both chain and lock stitch. The "Standard" gives a written guarantee for five years. It does every thing that can be done on a Sewing Machine, what more do you want? Sold on the installment plan at Eastern prices. \$10 discount for cash. For rent by week or month.
